

## **ATTACHMENT I, ANNEX 25 RECOVERY PLAN**

### **I. INTRODUCTION**

This plan establishes specific policies and procedures to be followed by the state and counties in coordinating emergency recovery activities. This separately published plan augments the South Carolina Emergency Operations Plan (SCEOP) and is Appendix 6 to the SCEOP.

### **II. MISSION**

The mission of state government in disaster recovery operations is to coordinate and direct those operations when local government resources are exhausted and to coordinate assistance from other states and the federal government as necessary and appropriate.

### **III. CONCEPT OF OPERATIONS**

See the South Carolina Recovery Plan (Appendix 6 to the SCEOP) for complete information.

### **IV. RESPONSIBILITIES**

See the South Carolina Recovery Plan (Appendix 6 to the SCEOP) for complete information.

### **V. FEDERAL INTERFACE**

See the South Carolina Recovery Plan (Appendix 6 to the SCEOP) for complete information.
